2022 Annual Report

Acknowledgement of Country

We acknowledge the Cabrogal people of the Darug nation, the Traditional Owners of this land in Fairfield, and recognise their continuing connection to land, waters and culture. We pay our respects to their Elders past and present and recognise that they were the first artists, dancers, and storytellers of this land.

Always was, always will be Aboriginal Land.

director's report

2022 was an exceptional year for PYT Fairfield.

As I go through the 2022 highlights, I'm in awe of the young and emerging artists who enter our doors and tell their stories. Southwest Sydneysiders are built with a grit and tenacity like no other. They deliver with strength and integrity and even when their stories are hard to tell, they proudly and bravely do so.

I'm proud of our sold-out performances of *Dorr-e Dari* on two of Australia's most-important stages, Sydney Opera House and Arts Centre Melbourne, and I'm proud of our premiere of *Action Star* at the unbeatable OzAsia Festival.

But beyond our highly visible stage presentations, sits an incredible professional development program where several of Western Sydney's brightest young artists gather weekly to develop and strengthen their skills in performance making – the Ensemble – I'm proud of them the most.

This year our Ensemble worked tirelessly to create and deliver and represent all the wonderful things their communities have to offer. They told stories, they advocated, they built sets and learnt design, they formed friendships and represented PYT at every chance they could. They did it with such ingenuity and creativity that I firmly believe the future of the arts in our country is in a great place. We are lucky to learn from them every week and we are fortunate to watch them shape our landscape.

In 2022 we created theatre, music, dance and digital content. Our Creative Producer of Community and Engagement programs opened our doors into the community. We presented every experience possible, from play readings, to weaving, to fight action choreography, and more. This important avenue connected us to hundreds of new participants across Western Sydney and we look forward to continuing our community programs into the future.

Director

co-chairperson's report

2022 was an explosion of connection. After two years of managing the impacts and restrictions of the pandemic, and modifying many of our programs for online delivery, we were free to throw open our doors, be outward-facing, and make big-hearted connections with many artists, communities and audiences.

Last year we trialled "The Beating Heart Model", a co-leadership structure comprised of a three-way artistic alliance working in collaboration with a director. This model proved to be a natural fit, and it is wildly exciting to see how excellently it has enabled Jacqueline, Bina, Gabriela and Daisy to develop and deliver programs with agility, collegiality, and verve.

Equally exciting is the fact that the PYT Ensemble has become a force of nature. From its tentative beginnings ten years ago, it has become a powerhouse of initiative, talent and collaboration - another beating heart within the company. So much so, that Ensemble artists often now play key roles across our company and programs.

This year, we farewelled board members Susie Vongkeneta and David Capra whose support during the pandemic and company restructure was unwavering. We also farewelled Technical and Production Manager Diego Murillo and Marketing and Development Manager Mel Boutkasaka, two dynamic individuals who have left us to embark upon the next stage in their careers.

Frank Ashe, Freyana Irani, Randy Glazer and Dr Rachel Jacobs now join us and Najee Tannous and Bibi Goul Mossavi around the PYT board table. Our board represents, and is drawn from, our diverse region and alumni, and is a brains trust for which we are most grateful.

The health measures that kept us apart, and kept live experiences on hold, have receded into the distance, and PYT is striding into what feels like a new era; one in which the fiercely dedicated PYT family is better equipped to respond to the astonishing capacity and passion at play across western and south-western Sydney.

About

Dorr-e Dari: A Crash Course in the Language of Love uses intimate storytelling, and epic ballads from the streets of Kabul, Tehran and Quetta via Western Sydney to tell stories of love, heartache, loss and the thousand-year history of Persian love poetry.

In 2022, PYT presented two sold-out seasons of *Dorr-e Dari* at Art Centre Melbourne and Sydney Opera House across their general public and education programs.

In the 2022 iteration, well-known Afghan actress Hasiba Ebrahimi joined the company,

working with Paul, Mahdi and Jawad to rewrite the work to blend in her own stories.

Cash and cash equivalents at end of financial year	6	798,465	817,452

1. General information

The financial statements cover Powerhouse Youth Theatre Inc, an entity incorporated under the *Associations Incorporation Act 2009* and domiciled in Australia. The entity is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards and a registered charity under the *Australian Charities and Not-for-profits Commission Act 2012*.

The entity's principal activity is running a professional theatre company in Western Sydney focused on the development and engagement of local young and emerging artists as core practice.

Principal place of business is Fairfield School of Arts, 19 Harris Street, Fairfield NSW 2165.

The financial report was authorised for issue by the Board on 14 March 2023.

2. Changes in accounting policies

New and revised standards that are effective for these financial statements

A number of new and revised standards became effective for the first time to annual periods beginning on or after 1 July 2021, the key ones of which are summarised below:

AASB 1060 General Purpose Financial Statements – Simplified Disclosures for For-Profit and Not-for-Profit Tier 2 Entities

This Standard sets out a new, separate disclosure Standard to be applied by all entities that are reporting under Tier 2 of the Differential Reporting Framework in AASB 1053. This Standard has been developed based on a new methodology and principles to be used in determining the Tier 2 disclosures that are necessary for meeting user needs, to replace the current Reduced Disclosure Requirements (RDR) framework. The adoption of this accounting standard has not had a material impact on the entity.

Accounting standards issued but not yet effective and not been adopted early by the entity

A number of new and revised standards have been issued but are not yet effective and have not been adopted early by the entity. The Board is currently assessing the impact such standards will have on the entity.

3. Summary of significant accounting policies

Financial reporting framework

The general purpose financial statements of the entity have been prepared in accordance with the requirements of the Associations Incorporation Act 2009, the Australian Charities and Not-for-profits Commission Act 2012.

Statement of compliance

The general purpose financial statements of the entity have been prepared in accordance with Australian Accounting Standards – Simplified Disclosure and other authoritative pronouncements of the Australian Accounting Standards Board.

Basis of preparation

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs unless otherwise stated in the notes. The accounting policies that have been adopted in the preparation of this report are as follows:

Revenue from contracts with customers

Revenue is recognised on a basis that reflects the transfer of promised goods or services to customers at an amount that reflects the consideration the entity expects to receive in exchange for those goods or services.

Revenue is recognised by applying a five-step model as follows:

- 1. Identify the contract with the customer
- 2. Identify the performance obligations
- 3. Determine the transaction price
- 4. Allocate the transaction price to the performance obligations
- 5. Recognise revenue as and when control of the performance obligations is transferred

Other revenue

For any revenue streams that are not defined as contracts with customers, then the revenue is recognised when the entity gains control, economic benefits are probable and the amount of the revenue can be measured reliably.

Operating expenses

Operating expenses are recognised in profit or loss upon utilisation of the service or at the date of their origin.

Income tax

No provision for income tax has been raised as the entity is exempt from income tax as a registered charity under the *Australian Charities and Not-for-profits Commission Act 2012*.

Cash and cash equivalents

Cash and cash equivalents includes cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of three months or less.

Trade and other receivables

Trade receivables are initially recognised at fair value and subsequently measured at amortised cost using the effective interest method, less any allowance for expected losses. Trade receivables are generally due for settlement within 30 days.

Property, plant and equipment

Plant and equipment

Plant and equipment are measured on the cost basis less depreciation and any impairment losses. In the event the carrying amount of plant and equipment is greater than its estimated recoverable amount, the carrying amount is written down immediately to its estimated recoverable amount recognised either in profit or loss.

Plant and equipment that have been contributed at no cost, or for nominal cost, are recognised at the fair value of the asset at the date it is acquired.

Depreciation

The depreciable amount of all fixed assets is depreciated over the asset's useful life to the entity, commencing from the time the asset is held ready for use.

The depreciation rates used for each class of depreciable assets are:

Class of fixed asset	Depreciation rate
Computer equipment	20% - 40%
Theatre equipment	20% - 33%
Office equipment	20% - 100%

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are included in the statement of profit or loss and other comprehensive income.

Impairment of assets

At the end of each reporting period the entity determines whether there is evidence of an impairment indicator for non-financial assets.

Trade and other payables

These amounts represent liabilities for goods and services provided to the entity prior to the end of the financial year and which are unpaid. Due to the short-term nature, they are measured at amortised cost and are not discounted. The amounts are unsecured and are usually paid within 30 days of recognition.

Goods and services tax (GST)

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of GST.

The net amount of GST recoverable from, or payable to, the ATO is included as part of receivables or payables in the statement of financial position.

Cash flows in the statement of cash flows are included on a gross basis and the GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

Provision for employee benefits

Provision is made for the entity's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be wholly settled within one year have been measured at the amounts expected to be paid when the liability is settled.

Liabilities relating to contracts with customers

Contract liabilities

A contract liability is recognised if a payment is received or a payment is due (whichever is earlier) from a customer before the grant conditions are fulfilled. Contract liabilities include deferred income. Contract liabilities are recognised as revenue when the entity performs under the contract (i.e. fulfils conditions of the grant).

The conditions are usually fulfilled within twelve (12) months of receipt of the grant. Where the conditions will only be satisfied more than twelve (12) months after the reporting date, the liability is discounted and presented as non-current.

Comparative figures

Where required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year. With the exception of minor reclassifications between certain financial statement line items, comparatives are consistent with prior years, unless otherwise stated.

Significant management judgement in applying accounting policies

When preparing the financial statements, the Board undertakes a number of judgements, estimates and assumptions about the recognition and measurement of assets, liabilities, income and expenses.

Estimation uncertainty

Information about estimates and assumptions that have the most significant effect on recognition and measurement of assets, liabilities, income and expenses is provided below. Actual results may be substantially different.

Useful lives of depreciable assets

The Board reviews its estimate of the useful lives of depreciable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical obsolescence that may change the utility of certain software and IT equipment.

How the entity recognises revenue

Grants

If conditions are attached to a grant, revenue is recognised when the entity satisfies those conditions.

Events, activities and other services

Revenue relating to events, activities and other services is recognised over the period in which the service is provided.

Sponsorship fees

Revenue relating to sponsorship is recognised over the period to which the agreement relates.

Powerhouse Youth Theatre Inc Independent Auditor's Report to the Members of Powerhouse Youth Theatre Inc For the Financial Year Ended 31 December 2022

Opinion

We have audited the financial report of Powerhouse Youth Theatre Inc (the registered entity), which comprises the statement of financial position as at 31 December 2022, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and the notes to the financial statements, including a summary of significant accounting policies, and the responsible persons' declaration.

In our opinion, the financial report of Powerhouse Youth Theatre Inc has been prepared in accordance with the *Associations Incorporation Act 2009* and Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012* (ACNC Act), including:

- (a) giving a true and fair view of the registered entity's financial position as at 31 December 2022 and of its financial performance for the year then ended; and
- (b) complying with Australian Accounting Standards Simplified Disclosure and Division 60 of the Associations Incorporation Regulation 2021 and the Australian Charities and Not-for-profits Commission Regulation 2013.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the registered entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Responsible Persons for the Financial Report

The responsible persons of the registered entity are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards and the ACNC Act, and for such internal control as the responsible persons determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the responsible persons are responsible for assessing the registered entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the responsible persons either intend to liquidate the registered entity or to cease operations or have no realistic alternative but to do so. The responsible persons are responsible for overseeing the registered entity's financial reporting process.

Powerhouse Youth Theatre Inc Independent Auditor's Report to the Members of Powerhouse Youth Theatre Inc For the Financial Year Ended 31 December 2022

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

A further description of our responsibilities for audit of the financial report is located at the Auditing and Assurance Standards Board website at: http://www.auasb.gov.au/. This description forms part of our auditor's report.
